

Cortina Mk2 Owners Club Ltd

SPARES CATALOGUE - MARCH 2019

Welcome to the March 2019 Spares Catalogue.

I am pleased to share the current spares list with you. The club aims to keep your car on the road by providing a range of spares at a competitive price. I am available between 7.00pm and 9.00pm most nights for enquiries and I attend several shows throughout the year so please come and have a chat. I can bring spares you have to ordered in advance to any show, if I am attending. In fact you can prearrange to pick your spares up from the Essex pub meet or even from my home. If you cannot find the item you require then please contact me as I may have new stock.

Rod Smith, Spares Secretary

- Spares** All our spares are either new, reconditioned or remanufactured and are covered by the usual guarantee.
- How to Order** Either send me an email/phone me (details below), write to me (address can be found in the Indicator)
- Prices** While every effort is made to keep the catalogue current, please note that stock availability and prices are subject to constant change. Always confirm your requirements with Rod before sending payment. All prices exclude packing and postage/courier charges, please contact Rod. Please contact Rod for any item marked POA (Price of Application)
- Payment** All cheques, postal orders or bank transfers etc must be made out in pounds sterling and use, where required, a British bank sort code. Payment is also now possible via Paypal (in pounds sterling only). The email to use for this payment is info@fordcortinamk2oc.co.uk . If bank charges are incurred these will need to be passed on to the purchaser.
- Failed Payment** Any payment that is not honoured by the bank will be advised to the buyer and as long as payment is received that is honoured then no further action will be taken. However, if no payment is received then we will take any further action that is deemed necessary. We will also not provide that member with any further parts until such time that full payment has been received.
- Exchange Units** If a part is marked as Exchange a surcharge will be payable on top of the price quoted. This surcharge will be returned to you if your old item is sent to Rod and is deemed servicable for reconditioning.
- Wrong Orders** The club will only be liable if Rod sends the incorrect part. If the wrong part/part number is quoted by you an exchange of parts can take place (provided there is no damage to the item) but all costs in this exchange will be payable by the purchaser.
- Faulty Items** Any part you receive which is faulty please contact Rod within 14 days of receipt of your payment. He will advise if he requires the return of the part (this should be completed within the next 14 days). If the item is found to be faulty an exchanged part will be sent Free of Charge and postage for the items returned will be refunded. If the item is not faulty or has been damaged since our postage then the item will be returned to the purchaser together with a further invoice for any additional costs.
- Price Codes** POA - Price on Application (Please contact Rod)
NLA - No Longer Available
- Contact Details** Rod Smith, Spares Secretary
